Student Dress Code

Seven Hills State School is a strict uniform school. We have the support of our Parents and Citizens Association to promote 100% adherence to the uniform. Our student dress code consists of an agreed standard and items of clothing, which included a school uniform that Seven Hills State School students wear when:

- attending or representing their school;
- travelling to and from school; and
- Engaging in school activities out of school hours.

The Seven Hills State School Parents and Citizens' Association supports a student dress code policy because it believes that a student dress code provides clothing that aims to contribute to a safe and supportive teaching and learning environment through:

- ready identification of students and non-students at school;
- fostering a sense of belonging; and
- developing mutual respect among students by minimising visible evidence of economic or social differences.
- promotes an effective teaching and learning environment by elimination the distraction of competition in dress and fashion at the school

The Seven Hills State School student dress code reflects school community standards and is consistent with occupational health and safety and anti-discrimination legislation.

We will actively encourage our students to take pride in themselves and their school. One way in which this may be achieved is through adherence to the school's dress standards. As the parent/carer and provider of your child, we seek your support in this matter.

Inappropriate dress refers to clothing or apparel worn by students that is deemed to be:

- offensive;
- likely to disrupt, or negatively influence normal school operations;
- unsafe for students or others; and
- likely to result in a risk to health and safety of student or others.

In circumstances where inappropriate or unreasonable dress is worn, appropriate actions will be taken.

Parents are asked to ensure that ALL articles of clothing whether part of a school uniform or not, are clearly marked with the student's name.

Parents/Caregivers can be notified by letter that their child is not complying with the Student Dress Code.
